

Press release: #Women2030 partners at the European Development Days

30 May 2018, Utrecht, Netherlands

The coalition and local partners of the programme #Women2030 will be present at the [European Development Days](#) in Brussels, on 5 and 6 June 2018, on their stand number 79, to facilitate dialogues with local partners from Africa, Latin America, Asia and Caucasus, and to showcase results after 2 years of implementation.

#Women2030 coalition and local partners will be present at stand nr 79 to engage with visitors of the EDD; 10 MEPs and heads of divisions of the European Commission have confirmed their attendance.

Feminists from a.o. Georgia, Kenya, Nigeria, Uganda and Paraguay will share their priorities for women's rights and gender equality, and what EU policies should be strengthened to achieve inclusive sustainable development. They will address three topic areas in the course of the two days: 1) Women's rights and financing for development, co-organised with [WO=MEN](#); 2) Circular economy: Chemicals, Waste, Water, Sanitation, Energy; co-organised with [WECF Georgia](#) and [Gender and Water Alliance](#), and 3) Sustainable development: Forests, Biodiversity, Energy, Climate organised with [Global Forest Coalition](#).

Tools, reports, campaigns and other resources that have been elaborated to build capacity and support the engagement of women's rights and gender equality organisations will be showcased. Visitors will be able to engage in the **great gender equality quiz**, and join the photoshoot action, based on the campaigns [#HerstoryOfChange](#) and "Defend the Defenders" all along the event.

For more information, please check out [our programme](#).

About the stand

The stand #Women2030 will be located in [the EDD Global Village, stand number 79](#).

About #Women2030

The #Women2030 project is being implemented in 50 countries across different regions of the world. It is led by a coalition of 5 women and gender equality network organisations collaborating to realize the Sustainable Development Goals (SDGs) in a gender-equitable and climate-just way. The coalition is part of a 5 year framework partnership agreement with the European Commission's International Cooperation arm (DEVCO) called "Women CSOs implementing SDGs Agenda 2030." The coalition consists of [WECF International](#), [Women Environmental Programme](#), [Gender and Water Alliance](#), [Global Forest Coalition](#), and [Asia Pacific Forum on Women, Law and Development](#).
